is no longer in actual use for transportation or which is wholly unfit to be operated or has been discarded or otherwise abandoned. Failure of a motor vehicle to display a current valid registration plate and certification of inspection is required by the vehicle code of Pennsylvania should constitute prima facie of proof that such vehicle is no longer in actual use for transportation purposes.

Ordinance No. 318, Section h. - Junked Vehicles shall mean any unsheltered motor vehicle which is inoperable or unable to meet the vehicle equipment and inspection standards under the Pennsylvania Vehicle Code to the extent that the costs of repairs would exceed the value of the repaired vehicle.

Ordinance No. 505 - Section 302.8 Motor Vehicles - Subject to the provisions of this code and except as provided and authorized under other applicable statutes, ordinances and regulations no inoperative or unlicensed motor vehicle shall be parked, kept or stored on any premises unless completely enclosed within a garage or similar enclosed area designed and approved for such purpose.

Ordinance No. 505 - Section 302.8.1 - Maintenance or Repair of Motor Vehicles -

Subject to the provisions of this code and except as provided and authorized under other applicable statutes, ordinances and regulations no motor vehicle, whether inoperative or operative, licensed or unlicensed, shall be parked, kept or stored on any premises in a state of major disassembly, disrepair or while in the process of being stripped or dismantled, whether in connection with body work, rebuilding, restoration or otherwise unless all of such work is performed inside a completely enclosed within a garage or similar enclosed area designed and approved for such purpose.

PREMISE ALERT REGISTRATION FORMS: Kennedy Township Police Department in conjunction with Allegheny County District Attorney's office, has available Premise Alert Registration Forms. Persons can register their children, parents or siblings with special needs for whom they are acting as caregivers. The forms are completed by the caregivers and given to their respective police department to be faxed to the 911 dispatch center. Information provided by the caregiver will appear before the dispatcher when an emergency call is made from the residence of the caregiver. The 911 dispatcher can then alert first responders as to any pertinent information concerning a special needs resident [whether the person is nonverbal, blind, deaf, where they tend to wander, etc.] Also in the packet given to residents are reflective stickers indicating the presence of a special needs person. These stickers can be placed on or near the front door of homes. The District Attorney's office also has inexpensive locking devices and alarms, service dogs for autistic persons, as well as Project Lifesaver tracking devices. The more information on a special needs person we have, the better we are to serve and assist. For further information, contact Kennedy Township Police Department at 412-

331-2408.
